A JOURNAL OF CIVIL-MILITARY DISASTER MANAGEMENT & HUMANITARIAN RELIEF COLLABORATIONS

## CFE-DM 30th ANNIVERSARY EDITION: LOOKING BACK, LOOKING FORWARD

The Center for Excellence in Disaster Management and Humanitarian Assistance is celebrating its 30th anniversary, and we invite you to be a part of our commemoration. Liaison Magazine's special 30th anniversary edition aims to reflect on the past, present, and future of the Humanitarian Assistance and Disaster Response (HADR) community. This edition seeks to assess the successes and challenges faced in the past, and what work will need to be done to reinforce resiliency to natural disasters and complex emergencies in the Indo-Pacific region and beyond in the near future.

- What are the key achievements of the HADR community in the Indo-Pacific over the past 30 years?
- How has civil-military coordination evolved over the past 30 years, and what are the lessons learned?
- What are the trends in HADR, climate change impacts, and conflict, military operations, and humanitarian assistance in the Indo-Pacific over the next 10-15 years?
- How can governments, militaries, and nongovernmental organizations collaborate to achieve a strategic vision for future priorities and work?

**The Liaison Journal seeks articles exploring these questions and more.**
