Fisheries Enforcement and Port State Measures Training

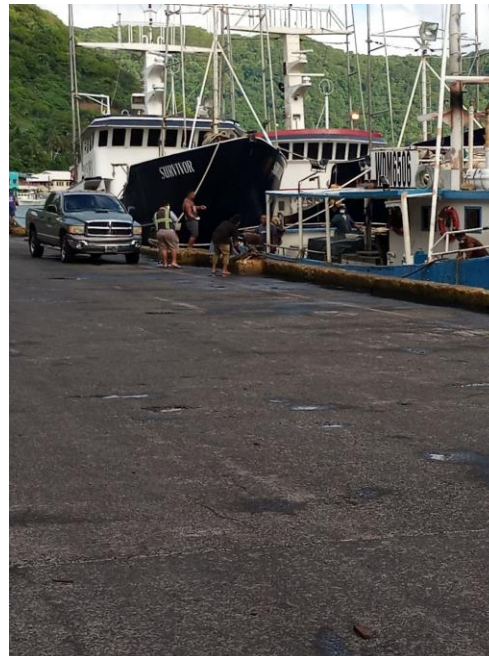

NOAA OLE Capacity Building in South Pacific: Fisheries Enforcement and Port State Measures Agreement Workshops

NOAA
FISHERIES

NOAA OLE South Pacific Capacity Building in 2023

- Regional
 - International Law Enforcement Academy Fisheries Enforcement and Prosecution Workshop (Partners: INL and USCG)
 - Regional Training on Port State Measures Inspections of Shipping Containers (Partners: SEAFDEC and USAID)

NOAA OLE PSMA Training Programs

- **Port State Measures Inspector Training Program:** focuses on the operational requirements of the PSMA, methods to detect IUU-fishing activity and the ability to conduct thorough fisheries inspections of foreign-flagged fishing and fishing-support vessels
- Complimentary curriculum on **PSMA Implementation for high-level officials and managers** covers broader issues such as legal requirements, governmental policy needs and inter-agency/ministry coordination and communication
