Upcoming Schedule

Comprehensive Security Cooperation (CSC) Course

15 Feb – 22 Mar 2023, 24 May – 29 Jun 2023, 20 Sep – 25 Oct 2023

Course # SAP0008

This course fosters critical thinking and a comprehensive perspective in mid-career security practitioners from governments and other influential agencies from all over the Indo-Pacific region. It is especially useful for those working in complex security environments dealing with geopolitical powers, crises, violent extremism, and transnational threats. In supportive surroundings, fellows assess their security environments, identify threats, investigate security disruptors, and probe governance challenges as they work together to build relationships and mutual understanding, and identify resilient solutions that improve national and regional security. Throughout this educationally empowering, security cooperation program, capacity is developed in security practitioners to support the ideals of rules-based international order, and a free and open Indo-Pacific, with the expectation that we all identify how best to contribute to regional security.

Indo-Pacific Orientation Course (IPOC)

14 – 18 Nov 2022, 17 – 21 Apr 2023

Course # SAP0005

This one-week course provides an introduction to Indo-Pacific culture, politics, protocols and challenges, while addressing U.S. interests in the region. The curriculum broadly examines: Security Foundations, Regional Security Perspectives, Country Specific Issues, Regional Cooperation on Interstate Challenges, and Regional Responses to Transnational Challenges. Attention is given to both historical and emerging issues. This course is designed mainly for US practitioners who are new to the Indo-Pacific region in mind.

A one-week Mobile IPOC will be offered in the Republic of Korea, *30 Jan – 3 Feb 2023*

Transnational Security Cooperation (TSC)

4 – 9 Dec 2022, 23 – 28 Jul 2023

Course # SAP0003

The one-week TSC course is an intensive program for current leaders and comprises military officers at the two/three-star level and civilian equivalents from the Indo-Pacific Region. The curriculum emphasizes the impact of change in the region, and the evolving roles and capabilities of security practitioners. Through a challenging program of guest speakers, interactive workshops, small group breakouts and exercise scenarios, senior fellows share perspectives and develop cooperative approaches to security issues of common concern.
